

The Town of German Flatts has provided a tax collection payment box in the front lobby of the Town of German Flatts Offices. Town residents can now drop off their property tax payments to the payment box as long as the payment is in check form. Cash payment transactions will not be accepted in the payment box and must be conducted in person with the Receiver of Taxes.

We Hope to provide a more car friendly accessible payment box in the future and when this happens, we will be sure to let you know. A picture of the payment box is located below and if you have any further questions you may contact the Receiver of Taxes at 315-866-0500.
